

Annual AHERA Notification Letter

To: All Parents, Teachers, Employees and Organizations

From: Dr. Sonya Louviere

Subject: AHERA Asbestos Management Plan

Date: August 1, 2026

According to the Asbestos Hazard Emergency Response Act (AHERA), each school system must notify the public of inspections, response actions, periodic surveillance and re-inspection activities on an annual basis.

This is to inform you that AHERA Compliance Management Plans are available for public inspection in either the principal's or coordinator's office of each school site in the Diocese of Lafayette School System. These documents include the Inspection Reports, Re-inspection Reports and the Management Plan. Requests to view these may be made Monday-Friday during regular school hours.

Inspections of Asbestos Containing Material (ACM) are made twice a year by Ritter Consulting Engineers.

Yours in Christ,

Dr. Sonya Louviere
Principal
